● The best solution for your business

A properly planned kitchen or bar facility will offer long term benefits in terms of better work flow, improved operating costs and more efficient use of labour. Our consultants will understand the needs of your business and offer an optimum solution.

● Experienced staff

Our specialist team of consultants have more than 30 years experience providing kitchen and bar design solutions and are able to provide comprehensive advice on health and safety requirements.

● Full range of services available

3663 offers a complete range of services, whether your needs are simply a new wash up area, a complete kitchen refurbishment or a full turnkey package.

● Planning and design using the latest computer technology

Our planning and design facility employs the most up to date technology and is manned by our skilled team of design specialists.

● Leading brand equipment at competitive prices

3663's buying power provides you with leading brand equipment at highly competitive prices.
